MANAGEMENT PROXY CIRCULAR

SOLICITATION OF PROXIES BY MANAGEMENT

This Management Proxy Circular is furnished in connection with the solicitation by the management of NSGold Corporation (the “Corporation”) of proxies to be used at the Annual and Special Meeting of shareholders (the “Meeting”) of the Corporation to be held at the time and place and for the purposes set forth in the Notice of Meeting. It is expected that the solicitation will be made primarily by mail. However, officers and employees of the Corporation may also solicit proxies by telephone, telecopier, e-mail or in person. The total cost of solicitation of proxies will be borne by the Corporation. Pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy-related materials to certain beneficial owners of the shares. See “Appointment and Revocation of Proxies – Notice to Beneficial Holders of Shares” below.

INTERNET AVAILABILITY OF PROXY MATERIALS

Rules recently adopted by the Canadian securities administrators, known as the “notice and access” distribution option, allow companies to send to shareholders a notice to the effect that proxy materials are available via the Internet, rather than mailing full sets of proxy materials to them. This year, the Corporation chose to mail full sets of proxy materials to shareholders. In the future, the Corporation may take advantage of the “notice and access” distribution option. If in the future the Corporation chooses to send such notices to shareholders, the notices will contain instructions on how shareholders can gain access to the Corporation’s notice of meeting and management proxy circular via the Internet. The notices will also contain instructions on how shareholders can ask that proxy materials be delivered to them electronically or in printed form on a one-time or ongoing basis.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

A shareholder who is unable to attend the Meeting in person is requested to complete and sign the enclosed form of proxy and to deliver it to Computershare Investor Services Inc. by mail or hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1. A shareholder may also vote using the internet at www.investorvote.com or by telephone at 1-866-732-8683. In order to be valid and acted upon at the Meeting, the form of proxy must be received no later than 10:00 a.m. (AST) on June 26, 2015 or be deposited with the Secretary of the Corporation before the commencement of the Meeting or any adjournment thereof.

The document appointing a proxy must be in writing and executed by the shareholder or his attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

A shareholder submitting a form of proxy has the right to appoint a person (who need not be a shareholder) to represent him or her at the Meeting other than the persons designated in the form of proxy furnished by the Corporation. To exercise that right, the name of the shareholder’s appointee should be legibly printed in the blank space provided. In addition, the shareholder should notify the appointee of the appointment, obtain his or her consent to act as appointee and instruct the appointee on how the shareholder’s shares are to be voted.

Shareholders who are not registered shareholders should refer to “Notice to Beneficial Holders of Shares” below.

Revocation of Proxy

A shareholder who has submitted a form of proxy as directed hereunder may revoke it at any time prior to the exercise thereof. If a person who has given a proxy personally attends the Meeting at which that proxy is to be voted, that person may revoke the proxy and vote in person. In addition to the revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the shareholder or his attorney or authorized agent and deposited with Computershare Investor Services Inc. at any time up to 10:00 a.m. (AST) on June 26, 2015 by mail or by hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or deposited with the Secretary of the Corporation before the commencement of the Meeting, or any adjournment thereof, and upon either of those deposits, the proxy will be revoked.

Notice to Beneficial Holders of Shares

The information set out in this section is of importance to many shareholders, as a substantial number of shareholders do not hold shares of the Corporation in their own name. Shareholders who do not hold their shares of the Corporation in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of shares can be recognized and acted upon at the Meeting or any adjournment(s) thereof. If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder’s name on the records of the Corporation. Those shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co., the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms. Shares held by brokers or their nominees can be voted (for or against resolutions or withheld from voting) only upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. Subject to the following discussion in relation to NOBOs (as defined below), the Corporation does not know for whose benefit the shares of the Corporation registered in the name of CDS & Co., a broker or another nominee, are held.

There are two categories of Beneficial Shareholders under applicable securities regulations for purposes of dissemination to Beneficial Shareholders of proxy-related materials and other securityholder materials and requests for voting instructions from such Beneficial Shareholders. Non-objecting beneficial owners (“**NOBOs**”) are Beneficial Shareholders who have advised their intermediary (such as brokers or other nominees) that they do not object to their intermediary disclosing ownership information to the Corporation, consisting of their name, address, e-mail address, securities holdings and preferred language of communication. Securities legislation restricts the use of that information to matters strictly relating to the affairs of the Corporation. Objecting beneficial owners (“**OBOs**”) are Beneficial Shareholders who have advised their intermediary that they object to their intermediary disclosing such ownership information to the Corporation.

National Instrument 54-101 allows the Corporation, in its discretion, to obtain a list of its NOBOs from intermediaries and to use such NOBO list for the purpose of distributing the Notice of Meeting, this Management Proxy Circular and a voting instruction form or form of proxy, as applicable (collectively, the “**Meeting Materials**”) directly to, and seeking voting instructions directly from, such NOBOs. As a result, the Corporation is entitled to deliver Meeting Materials to Beneficial Shareholders in two manners: (a) directly to NOBOs and indirectly through intermediaries to OBOs; or (b) indirectly to all Beneficial Shareholders through intermediaries. In accordance with the requirements of NI 54-101, the Corporation is sending the Meeting Materials indirectly to all Beneficial Shareholders through intermediaries. The cost of the delivery of the Meeting Materials by intermediaries to Beneficial Shareholders will be borne by the Corporation.

Applicable securities regulations require intermediaries, on receipt of Meeting Materials that seek voting instructions from Beneficial Shareholders indirectly, to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings on Form 54-101F7. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting or any adjournment(s) thereof. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder. Beneficial Shareholders who wish to appear in person and vote at the Meeting should be appointed as their own representatives at the Meeting in accordance with the directions of their intermediaries and Form 54-101F7. Beneficial Shareholders can also write the name of someone else whom they wish to appoint to attend the Meeting and vote on their behalf. Unless prohibited by law, the person whose name is written in the space provided in Form 54-101F7 will have full authority to present matters to the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in Form 54-101F7 or this Management Proxy Circular. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails a voting instruction form in lieu of a form of proxy. Beneficial Shareholders are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free telephone number to vote the shares held by them or access Broadridge’s dedicated voting website at <https://central-online.proxyvote.com> to deliver their voting instructions. Broadridge will then provide aggregate voting instructions to the Corporation’s transfer agent and registrar, which will tabulate the results and provide appropriate instructions respecting the voting of shares to be represented at the Meeting or any adjournment(s) thereof.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the shares in respect of which they are appointed, on any ballot that may be called for, in accordance with the instructions of the shareholder as indicated on the proxy. In the absence of such specification, such shares will be voted FOR the: (i) election of directors; (ii) appointment of auditors, and (iii) resolution approving the grant of an aggregate of 75,000 replacement stock options to three directors and/or officers of the Corporation, subject to approval of the TSX Venture Exchange, as set out under such headings in this Management Proxy Circular. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting or other matters that may properly come before the Meeting or any adjournment thereof. As of the date hereof, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the persons named in the proxy.

VOTING SHARES

As at May 29, 2015, there were 11,573,264 issued and outstanding common shares of the Corporation. Each common share entitles the holder thereof to one vote. The Corporation has fixed May 26, 2015 as the record date (the “**Record Date**”) for the purpose of determining shareholders entitled to receive notice of the Meeting. Pursuant to the *Canada Business Corporations Act*, the Corporation is required to prepare, no later than ten days after the Record Date, an alphabetical list of shareholders entitled to vote as of the Record Date that shows the number of shares held by each shareholder. A shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the Meeting. A shareholder of record on the Record Date will be entitled to vote those shares included in the list of shareholders entitled to vote at the Meeting, even though the shareholder may subsequently dispose of his or her shares. No shareholder who has become a shareholder after the Record Date will be entitled to attend or vote at the Meeting or any adjournment(s) thereof. The list of shareholders is available for inspection during usual business hours at the offices of Computershare Investor Services Inc., Suite 2008, 1969 Upper Water Street, Purdy’s Wharf II, Halifax, Nova Scotia, being the place where the Corporation’s central securities register is maintained.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

This Compensation Discussion and Analysis is intended to provide information about the Corporation's executive compensation philosophy, objectives and process and to discuss compensation relating to each person who acted as Chief Executive Officer and as Chief Financial Officer and the three most highly-compensated executive officers (or three most highly-compensated individuals acting in a similar capacity), other than the Chief Executive Officer and Chief Financial Officer, whose total compensation was more than \$150,000 in the Corporation's last financial year (each a "**Named Executive Officer**" and collectively the "**Named Executive Officers**"). For the fiscal year ended December 31, 2014, the Corporation had three Named Executive Officers, namely, Johannes H. C. van Hoof, Glenn A. Holmes and Robert Randall. For the period January 1, 2014 to November 26, 2014, Mr. Holmes was the Chief Executive Officer and Mr. Randall was the Chief Financial Officer. Effective November 26, 2014, Messrs. Holmes and Randall resigned from their respective positions and, since that date, Mr. van Hoof has been the Chief Executive Officer and Mr. Holmes the Chief Financial Officer of the Corporation.

The following is a description of the Corporation's executive compensation philosophy and objectives for the fiscal year ended December 31, 2014.

Compensation Philosophy and Objectives

The Corporation is a mining exploration company and, at present, does not have positive earnings. In light of the Corporation's current stage of development, it does not have a formal compensation program. The Board of Directors meets to discuss and determine management compensation without reference to formal criteria. The general objective of the Corporation's compensation is to: (i) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (ii) align management's interests with the long-term interests of shareholders; (iii) provide a compensation package that is commensurate with other junior mining exploration companies in order to enable the Corporation to attract and retain talent; and (iv) ensure that the total compensation package is designed in a manner that takes into account the constraints under which the Corporation operates by virtue of the fact that it is a junior mining exploration company without a history of earnings.

Compensation Process

The Board of Directors does not have a Compensation Committee. The Board of Directors, as a whole, ensures that total compensation paid to all Named Executive Officers is fair and reasonable and accomplishes the following long-term objectives:

- o produce long-term, positive results for the Corporation's shareholders;
- o align executive compensation with corporate performance; and
- o provide market-competitive compensation and benefits that will enable the Corporation to recruit, retain and motivate the executive talent necessary to be successful.

Analysis of Elements

The compensation paid to Named Executive Officers is comprised of two main components: base salary and long-term incentives, in the form of stock options granted pursuant to the Corporation's 2010 Stock Option Plan, adopted by the Board of Directors on July 20, 2010. The following discussion describes the components of compensation and discusses how each component relates to the Corporation's overall executive compensation objective. The Corporation believes that:

- o base salaries provide an immediate cash incentive for the Corporation's Named Executive Officers and should be at levels competitive with peer companies that compete with the Corporation for business opportunities and executive talent; and
- o stock options ensure that the Named Executive Officers are motivated to achieve long-term growth of the Corporation and increases in shareholder value, and provide capital accumulation linked directly to the Corporation's performance.

The Corporation places equal emphasis on base salary and stock options as short-term and long-term incentives, respectively.

Base Salaries

The Named Executive Officers receive a base salary which is based primarily on the level of responsibility of the position, the qualifications and experience of the officer and market conditions.

The base salaries of the Named Executive Officers are reviewed annually to ensure that they take into account the following factors: market and economic conditions, levels of responsibility and accountability of each Named Executive Officer, skill and competencies of each individual, retention considerations, and level of demonstrated performance.

Base salaries, including that of the Chief Executive Officer, are reviewed by the Board of Directors, as a whole, on the basis of its opinion as to a fair and responsible compensation package, taking into account the contribution of the Chief Executive Officer to the Corporation's long-term growth and the knowledge of the members of the Board of Directors with respect to remuneration practices in Canada.

Long-Term Incentive Plans and Stock Option Plan

The Corporation has no long-term incentive plans in effect other than the 2010 Stock Option Plan. The Corporation provides long-term incentive compensation to its Named Executive Officers through the 2010 Stock Option Plan. For the material terms and conditions of the Corporation's 2010 Stock Option Plan, see the heading "2010 Stock Option Plan" below.

During the fiscal year ended December 31, 2014, the Corporation did not grant any stock options to the Named Executive Officers.

Group Benefits/Perquisites

The officers of the Corporation do not benefit from any life, medical, long-term disability or other insurance. None of the officers benefits from a retirement plan.

External Compensation Consultants

During the fiscal years ended December 31, 2014 and 2013, the Corporation did not retain the services of executive compensation consultants to assist the Board of Directors in determining compensation for any of the Corporation's Named Executive Officers or directors.

Assessment of Risks Associated with the Corporation's Compensation Policies and Practices

The Board of Directors has assessed the Corporation's compensation plans and programs for its executive officers to ensure alignment with the Corporation's business plan and to evaluate the potential risks associated with those plans and programs. The Board of Directors has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Corporation.

The Board of Directors considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Corporation has not adopted a policy restricting its Named Executive Officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its Named Executive Officers or directors. To the knowledge of the Corporation, none of the Named Executive Officers or directors has purchased such financial instruments.

Summary of the Compensation of the Named Executive Officers

The following table provides information for the fiscal years ended December 31, 2014, 2013, and 2012 regarding compensation paid to or earned by the Named Executive Officers and by the Executive Chairman of the Board of Directors.

Audit Committee Oversight

Since the commencement of the Corporation’s most recently-completed financial year, the Corporation’s Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Corporation’s most recently-completed financial year, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of National Instrument 52-110 *Audit Committees*. Section 2.4 (*De Minimis Non-audit Services*) provides an exemption from the requirement that the Audit Committee pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 (*Exemptions*) permits a company to apply to a securities regulatory authority for an exemption from the requirements of National Instrument 52-110 *Audit Committees* in whole or in part. The Corporation is relying on the exemption set out in section 6.1

of National Instrument 52-110 *Audit Committees* with respect to the composition of the Audit Committee and certain reporting obligations.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as set out in the Charter of the Audit Committee of the Corporation. The Charter of the Audit Committee was filed on SEDAR on November 16, 2009 and is annexed to this Management Proxy Circular as Schedule B.

APPROVAL OF GRANT OF REPLACEMENT STOCK OPTIONS

James Proudfoot, Grant Loon and Glenn Holmes, each of whom is a director and/or officer of the Corporation, previously held an aggregate of 181,000 stock options with exercise prices ranging from \$1.00 to \$5.00 per share, granted under the 2010 Stock Option Plan of the Corporation. Specifically, Mr. Proudfoot held 56,000 stock options, Mr. Loon held 42,500 stock options and Mr. Holmes held 82,500 stock options. In May 2015, at the initiative of the Corporation, each agreed to the cancellation of his stock options. The stock options were cancelled in that their respective exercise prices significantly exceeded the market price of the Corporation’s shares on the TSX Venture Exchange.

On May 28, 2015, the Board of Directors granted 32,500 stock options under the 2010 Stock Option Plan of the Corporation to each of James Proudfoot, Grant Loon and Glenn Holmes in replacement of their 181,000 cancelled stock options. The

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

For the purposes of this Management Proxy Circular, "informed person" of the Corporation means: (a) a director or executive officer of the Corporation; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Corporation; (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Corporation or who exercises control or direction over voting securities of the Corporation or a combination of both, carrying more than 10% of the voting rights attached to all outstanding voting securities of the Corporation, other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Corporation, if it has purchased, redeemed or otherwise acquired any of its own securities, for so long as it holds any of its securities.

To the best of the Corporation's knowledge, no informed person of the Corporation, and no associate or affiliate of any such person, at any time since January 1, 2014, has or had any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any transaction since January 1, 2014 that has materially affected the Corporation, or in any proposed transaction that could materially affect the Corporation, or in any matter to be acted upon at this Meeting, with the exception of Van Hoof Industrial Holdings Ltd. ("**VHIH**"), a company controlled by Mr. Hans van Hoof, Chief Executive Officer and Executive Chairman of the Board of Directors of the Corporation. In December 2012, the Corporation obtained a loan facility of up to \$500,000 from VHIH. The loan facility was made available to the Corporation without any fees, options or warrants. As the loan is drawn upon, it bears interest at the rate of 6% per annum and is repayable in full on January 30, 2015. As at December 31, 2014, VHIH had advanced \$294,540 of this loan facility to the Corporation and interest in the amount of \$20,514 was accrued. OTHER MATTERS

However, if any other matters which are not known to the management should properly come before the Meeting, the accompanying form of proxy confers discretionary authority upon the persons named therein to vote on such matters in accordance with their best judgment.

SHAREHOLDER PROPOSALS

The *Canada Business Corporations Act* provides, in effect, that a registered holder or beneficial owner of shares that is entitled to vote at an annual meeting of the Corporation may submit to the Corporation notice of any matter that the person proposes to raise at the meeting (referred to as a "**Proposal**") and discuss at the meeting any matter in respect of which the person would have been entitled to submit a Proposal. The *Canada Business Corporations Act* further provides, in effect, that the Corporation must set out the Proposal in its management proxy circular along with, if so requested by the person who makes the Proposal, a statement in support of the Proposal by such person. However, the Corporation will not be required to set out the Proposal in its management proxy circular or include a supporting statement if, among other things, the Proposal is not submitted to the Corporation at least 90 days before the anniversary date of the notice of meeting that was sent to the shareholders in connection with the previous annual meeting of shareholders of the Corporation. As the notice in connection with the Meeting is dated May 29, 2015, the deadline for submitting a proposal to the Corporation in connection with the next annual meeting of shareholders is March 7, 2016.

The foregoing is a summary only; shareholders should carefully review the provisions of the Canada Business Corporations Act relating to Proposals and consult with a legal advisor.

CORPORATE GOVERNANCE PRACTICES

National Policy 58-201 *Corporate Governance Guidelines* and National Instrument 58-101 *Disclosure of Corporate Governance Practices*, set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

1. Board of Directors

Disclose how the board of directors facilitates its exercise of independent supervision over management, including:

- (i) the identity of directors who are independent; and*
- (ii) the identity of directors who are not independent, and the basis for that determination.*

The Board of Directors considers that Grant Loon and James M. Proudfoot are independent within the meaning of National Instrument 52-110 *Audit Committees*.

The Board of Directors considers that Johannes H. C. van Hoof is not independent within the meaning of National Instrument 52-110 *Audit Committees* in that he is the Executive Chairman of the Board of Directors of the Corporation. The Board of Directors considers that Glenn A. Holmes is not independent within the meaning of National Instrument 52-110 *Audit Committees* in that he is the Chief Executive Officer of the Corporation.

Meetings of the Board of Directors are chaired by Johannes H. C. van Hoof. If necessary, the independent members of the Board of Directors can meet without the non-independent directors and other members of management present.

2. Directorships

If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer.

The following directors are currently directors of other issuers that are reporting issuers (or the equivalent) in a jurisdiction of Canada or a foreign jurisdiction:

Name of Director	Issuer
Johannes H. C. van Hoof	NSX Silver Inc. (TSX Venture Exchange) Globex Mining Enterprises Inc. (TSX)
Glenn A. Holmes	Oceanus Resources Corporation (TSX Venture Exchange) NSX Silver Inc. (TSX Venture Exchange)
James M. Proudfoot	Lovitt Resources Inc. (TSX Venture Exchange) NSX Silver Inc. (TSX Venture Exchange)
Grant Loon	NSX Silver Inc. (TSX Venture Exchange)

3. Orientation and Continuing Education

Describe what steps, if any, the board takes to orient new board members, and describe any measures the board takes to provide continuing education for directors.

The Corporation does not currently have a formal orientation program for new directors. The Board of Directors has not taken any measures to provide continuing education for the directors.

4. Ethical Business Conduct

Describe what steps, if any, the board takes to encourage and promote a culture of ethical business conduct.

In light of the Corporation's stage of development and its limited number of employees, the Board of Directors has not taken formal steps to encourage and promote a culture of ethical business conduct. The Corporation does take measures to ensure that the directors do not trade in the Corporation's shares at a time when disclosure of material information is pending.

Notwithstanding the absence of a formal code of conduct, the Board of Directors believes that the fiduciary duties placed on individual directors by the *Canada Business Corporations Act* and the common law, as well as the restrictions placed by the *Canada Business Corporations Act* on an individual director's participation in decisions of the Board of Directors in which the director has an interest, have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Corporation.

5. Nomination of Directors

Disclose what steps, if any, are taken to identify new candidates for board nomination, including:

- (i) who identifies new candidates; and*
- (ii) the process of identifying new candidates.*

The Board of Directors, as a whole, is responsible for identifying potential new directors and assessing the performance and contribution of directors.

6. Compensation

Disclose what steps, if any, are taken to determine compensation for the directors and CEO, including:

- (i) who determines compensation; and*
- (ii) the process for determining compensation.*

During the fiscal year ended December 31, 2014, the directors of the Corporation did not receive any cash compensation for serving in that capacity. The Board has not formally reviewed compensation of directors.

The process by which the Corporation currently determines the compensation of its executive officers and directors is described in the section entitled "Compensation of Executive Officers and Directors — Compensation Discussion and Analysis" above.

7. Other Board Committees

If the board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

The Board of Directors does not have any standing committees other than the Audit Committee.

8. Assessments

Disclose what steps, if any, that the Board takes to satisfy itself that the board, its committees, and its individual directors are performing effectively.

The Board of Directors, as a whole, is responsible for assessing the effectiveness of the Board of Directors, its committees and individual directors and the competence and qualifications that each director is required to bring to the Board of Directors. Although no formal process has been put in place for such assessment, the Board conducts informal assessments on an as-needed basis. In this regard, the Board of Directors from time-to-time examines and comments on its effectiveness and that of its committees, and makes adjustments when warranted.

SCHEDULE B

CHARTER OF THE AUDIT COMMITTEE

The following Charter of the Audit Committee was adopted by the Corporation's Board of Directors and Audit Committee on November 9, 2009:

Mandate

The primary function of the audit committee (the "**Committee**") is to assist the Corporation's board of directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Corporation to regulatory authorities and shareholders, the Corporation's systems of internal controls regarding finance and accounting and the Corporation's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Corporation's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Corporation's financial reporting and internal control system and review the Corporation's financial statements;
- review and appraise the performance of the Corporation's external auditors; and
- provide an open avenue of communication among the Corporation's auditors, financial and senior management and the board of directors.

Composition

The Committee shall be comprised of a minimum of three directors as determined by the board of directors. If the Corporation ceases to be a "venture issuer" (as that term is defined in NI 52-110), then all of the members of the Committee shall be free from any relationship that, in the opinion of the board of directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

If the Corporation ceases to be a "venture issuer" (as that term is defined in NI 52-110), then all members of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Corporation's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Corporation's financial statements.

The members of the Committee shall be elected by the board of directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full board of directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings

The Committee shall meet at least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

1. Documents/Reports Review
 - (a) review and update this Audit Committee Charter annually; and

- (b) review the Corporation's financial statements, MD&A and any annual and interim earnings press releases before the Corporation publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditors.

2. External Auditors

- (a) review annually, the performance of the external auditors who shall be ultimately accountable to the Corporation's board of directors and the Committee as representatives of the shareholders of the Corporation;
- (b) obtain annually, a formal written statement of external auditors setting forth all relationships between the external auditors and the Corporation, consistent with Independence Standards Board Standard 1;
- (c) review and discuss with the external auditors any disclosed relationships or services that may impact the objectivity and independence of the external auditors;
- (d) take, or recommend that the Corporation's full board of directors take appropriate action to oversee the independence of the external auditors, including the resolution of disagreements between management and the external auditor regarding financial reporting;
- (e) recommend to the Corporation's board of directors the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval;
- (f) recommend to the Corporation's board of directors the compensation to be paid to the external auditors;
